

**2022 POINT-IN-TIME COUNT  
ANNOUNCED FOR  
MANATEE AND SARASOTA COUNTIES**

Hello,

Each year, on a single night, communities across the nation conduct a count of those experiencing homelessness in their community. The 2022 Point-In-Time (PIT) count for Manatee and Sarasota will be conducted for the night of **Monday, January 24th**. The survey will be starting 3:00 p.m. Monday, January 24, 2022 and ending 3:00 p.m. Tuesday, January 25, 2022.

The survey information collected during the PIT count provides the community, HUD and other organizations like the National Alliance to End Homelessness with a valuable snapshot of data to help analyze community trends for those experiencing homelessness. This can help assist in community planning, increase awareness, and inform funding.

Will you help?

Volunteers are needed to assist in two areas:
